## **Establishing of Miyakoshi Europe**

We would like to inform you that Miyakoshi Printing Machinery Co., Ltd. (Chiba, Japan) and OMC Sae (Madrid, Spain) have mutually agreed to jointly establish a local subsidiary company in Europe, to enter and capture the label and packaging offset market in Europe on a full scale.

The company starts activities from April 1st, 2015.

The company supports sales activity of all agents at each country in Europe and provides press installations and repair, maintenance and supply parts service as well.

We would appreciate your continuous supports & cooperation.
